YOUR MANUFACTURING PARTNER

SEW PRO GEARS is an apparel manufacturing business based in Sialkot, Pakistan, serving the motorcycle apparel and wider clothing sectors.

We support brands, wholesalers, distributors, and private-label buyers seeking manufacturing solutions for motorcycle riding gear, leather garments, and complementary apparel categories.

Our approach focuses on understanding each customer's product requirements, coordinating development, and producing garments according to agreed specifications.

We welcome discussions with established brands and growing businesses looking for a manufacturing partner.
